## Curie\_Meitner\_Lamarr\_indivisible

Friday, 15 March 2024, 19:00

K9 e. V. Kommunales Kunst- und Kulturzentrum, Konstanz

**Radiation. Nuclear fission. Frequency hopping.**

These are the realms explored by Marie Curie, Lise Meitner, and Hedy Lamarr, three extraordinary female scientists whose brilliance and resilience are brought to life in this captivating portrait theater production, directed by Sandra Schüddenkopf in cooperation with Theater Drachengasse and Technische Universität Wien.

Anecdotes, achievements, and the passion for their work take center stage as we delve into their lives. Featuring Anita Zieher as Curie, Meitner, and Lamarr, this performance has been seen in 90 venues worldwide!

We invite you to join us for an apéro before the play!

**Tickets are free of charge.**

Registration is mandatory and available online.
